

**What is Spice Social?**  
Spice Social is the largest social membership organisation in the UK. There's an incredible range of events, weekends away, holidays and much more, focusing on fun and friendship. Feel comfortable coming on your own, knowing that you're in a group of like-minded people. Check now to see what's locally, which focuses on Edinburgh and the east and Glasgow and the west, or nationally.

"In the last seven days alone, I've walked in the footsteps of the Call the Midwife cast, boarded two ships and a submarine, climbed a castle, marvelled at the inside of a stunning cathedral, and fallen down the rabbit hole to join Alice, White Rabbit, Queen of Hearts and Mad Hatter at a tea party! I highly recommend you check out the website and join us for some fantastic fun!"
